June 8, 1988.

Harmon C. McAllister, M.D.
The Council for Tobacco Research
U.S.A., Inc.
900 Third Avenue
New York, New York 10022

Dear Dr. McAllister:

As there are just over three months to go until the Pulmonary Circulation Conference, I am writing to give you some logistic details. Participants will be met on arrival at the Denver airport on Sunday, September 18th, by workers living in the Denver area, or by transport from the ranch, if the time of arrival is given on the enclosed form. Please try to arrive in Denver sometime between 10 A.M. and 5 P.M. The conference center at Lost Valley Ranch is two hours driving time from Denver. Please return the form in the envelope provided as soon as possible, so that arrangements can be made. Lunch on the last day, (Thursday, September 22nd) will finish about 1 P.M. It is advisable therefore not to book a flight out of Denver until after 4 P.M.

Those who wish to bring family members should remember that they are responsible for the air fare and lodging expenses of all but themselves. Prior to leaving, on 9/22/88, they should pay the ranch office for the board and lodging (about \$310.00/person, including tax and gratuity). Please let me know soon if you would like to bring family.

I enclose a letter from Dr. Reeves giving further information. If you have any questions regarding the arrangements for the conference, please write, or call me (612/725-6767, ext. 6166).

With best wishes,

Sincerely yours,

E. KENNETH WEIR, M.D.
Professor of Medicine
University of Minnesota
School of Medicine

Enclosure

*Told Weir by phone (8/4/88)
no one would attend from CR*
